

This is a really lovely port. We made this Port in a slightly lighter style that has won over fans who normally don't enjoy Port. This elegant 2005 Dry Creek Valley Zinfandel Port contains seductive aromas of crushed blackberries, flowers, and loads of ripe, rich fruit. It is wonderfully full-bodied and lightly sweet with lovely, smooth tannins and a long intricate fruit finish. This is a very sophisticated Port that will be enjoyed for years to come.
